PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Amendment to the earlier approved project proposal of M/s Lakeview Tourism Corporation at Hebbal Ammanikere Village and Hebbal, Bengaluru North Taluk, Bengaluru Urban District.

- Read:**
1. 85th High Level Committee (HLC) in its meeting held on 14.08.2001.
 2. Government Order No. ITY 87 TTM 2000, dated 10.07.2000.
 3. Proceedings of the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023.
 4. Proceedings of the 138th State Level Single Window Clearance Committee meeting held on 07.03.2023.

-:0:-

Preamble:

The M/s Lakeview Tourism Corporation project was cleared by the HLC in its meeting held on 28.06.2000 during Global Investor Meet. Approval was accorded for development of tourism project on land of 70 acres. It was decided to acquire 37 acres of land through KIADB. However, company has requested to acquire the entire land through KIADB. 85th High Level Committee (HLC) in its meeting held on 14.08.2001 decided to acquire the entire land of 70 acres.

Based on the recommendation of the HLC, Department of Information, Tourism and Youth Services vide its Government order No. ITY 87 TTM 2000, dated 10.07.2000 has accorded approval to the proposal of M/s Lakeview Tourism Corporation, Bengaluru for construction of a Unicare Tourist Centre with a Resort and Five Star Hotel, Amusement Park, Water Park, Health Club, Recreation facility, Conference/Convention Centre with all ultra-modern facilities, The Indian Arts and Crafts Exhibition, a mini Theatre, Restaurants, Modern Shopping Complex and Service

Apartment with transit flat facilities at Hebbal Village, Bengaluru Urban district with an estimated investment of Rs. 250 crore in 37 acres of land to be acquired and allotted by KIADB.

Firm vide its letter dated 01.03.2023 has informed that the State Government during the Global Investors Meet of 2000 has approved firm tourism related project and decided to acquire the Land required for the project through KIADB. In this regard an amount of Rs.10,00,00,000/- (Rupees Ten crore), was paid by the firm as demanded by KIADB during 2004. On receipt of the said amount and on the direction of the State Government, the Land ad- measuring 55 Acres 13 guntas in Hebbal and Hebbal Ammanikere Villages, was acquired vide KIADB's Final Notification dated 11.05.2004.

Further it is informed that Bangalore Development Authority had initiated parallel acquisition of a portion of the aforesaid land for its Arkavathy Layout which was questioned by the firm in Writ Petition No. 46785/2004 before the Hon'ble High Court of Karnataka. The learned Single Judge of the Hon'ble High Court vide its Order dated 23.10.2010 quashed the BDA acquisition (ref 2) and BDA Writ Appeal No. 3725/2011 has also been quashed by the High Court of Karnataka in the said matter.

It is further informed that the Hon'ble high Court of Karnataka has also dismissed/quashed the number of writ petitions filed by the erstwhile land owners challenging the KIADB acquisition.

Further, it is informed that the State Government has issued Notification dated 03.02.2010 and 10.03.2010 notifying an extent of 4 acres 4.25 guntas of land in Hebbal Ammanikere village in favour of M/s Lakshmi Tourism, which was challenged by the firm in W.P. No. 22888/2010. The Hon'ble High Court of Karnataka has allowed the writ petition and quashed the Notifications dated 03.02.2010 and 10.03.2010 which de-notified land measuring 4 acres 4.25 guntas earlier notified in favour of M/s Lakshmi Tourism.

During the pendency of the aforesaid proceedings, the firm has noticed certain illegal encroachment in a part of the land that is to be allocated to the project. The firm has made repeated efforts along with the KIADB to clear the illegal encroachments. The firm has spent huge amount of money towards litigation as well as initially they had paid an amount of Rs. 10 crore to the State Government. Despite all these efforts, the firm is unable to receive the possession of land. Firm has informed that they were always willing and ready to develop the lands if the land is handed over to the firm.

Present request of the company:

M/s Lakeview Tourism Corporation, Bengaluru, a Partnership Firm is seeking approval for establishment of Project proposal “Conceived as an integrated township with development of Commercial office spaces, Information Technology Park, R&D Centre, Retail, Shopping Mall, Residential multi-storied apartment complex, Hospitals, Educational Institutions, School, Hotels, Convention Centre, Other Hospitality Usages like Service Apartments, Branded Apartments, Residential Apartments or establishing any other permissible usage under the Law”, in 50 acres of Land at various Survey number of Hebbal and Hebbal Ammanikere Village, Bengaluru North Taluk, Bengaluru (The land sought by the company for the project pertains to KIADB final notification No. CI 148 SPQ 2004, dated 11.05.2004 for an extent of 55 acres 13 gunta) with an investment of Rs. 440 crore generating employment to about 1060 people.

1. Government Order No. CI 134 SPI 2012, dated 21.04.2012.
 2. Government Order No. CI 134 SPI 2012, dated 10.07.2015.
 3. Government Order No. CI 178 SPI 2018, dated 04.09.2018.
 4. Proceedings of the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023.

5. Proceedings of the 138th State Level Single Window Clearance Committee meeting held on 07.03.2023.

-:0:-

Preamble:

The project proposal of M/s Mphinite Solutions Private Limited to establish “Pet Bottles, Jars and Preforms” in 125 acre of land at Yadgir Industrial Area, Yadgir with an investment of Rs.489.11 crore providing employment to 1160 persons was approved in the 27th State High Level Clearance Committee (SHLCC) meeting held on 13.04.2012. Accordingly, Government Order read at (1) above was issued.

Further, in the 38th SHLCC meeting held on 17.06.2015 has approved the time of extension of period for further two years. Accordingly, Government Order read at (2) above was issued.

Further, in the 111th State Level Single Window Clearance Committee (SLSWCC) meeting held on 01.08.2018 has accorded approval for the following:

- Approval to establish Research and Development Centre for essential aromatic oil with establishment of essential oil and aromatic oil distillation plant.
- Extension of time by 2 years to implement the Project, with a condition that further request for extension of time will not be considered.

Accordingly, Government Order read at (3) above was issued.

Status of Implementation details:

- KIADB allotment letter bearing No. KIADB/HO/Allot/AS/20344/ 8258/ 15-16, dated 08.09.2015.
- 121 acres of KIADB land at Plot No. 111, Kadechur Industrial Area, Yadagiri District. Possession Certificate No. IADB/AE/YDG/EC-01/2017-18, dated 10.05.2017.
- They have built the manufacturing unit of around 25,000 sft, along with lemon grass distillation plant as well as created other Electrical and Office infrastructure with an investment of over Rs. 25 crore in the project till now.
- Complete RCC boundary wall is erected around the periphery of the plot.
- They have made 2 artificial ponds with Rainwater harvesting for collection of water during rainy season, to charge the water table as well as to fulfill basic water requirement in that area.
- As this was a total dry agricultural land, we have developed the social forestry all around the periphery of the boundary wall with over 5,000 trees available in

local area, almost 3 kms of forest area under Japanese Miyawaki forest technology which was necessary for biodiversity and eco-system in that area.

Now, the company vide letter dated 23.01.2023 and 31.01.2023 informed that their unit Manjushree Technopack Limited was producing PET bottles and pre-forms for making bottles for Coca-Cola and in view of the same, they had asked us to setup an Ancillary opposite to them in the same industrial area for just in-time supply, as this was a mega project planned by them in 250 acres of land.

- Subsequently Coca-cola cancelled the Project as their raw material water was not available through the pipelines from Krishna River during summers and hence, we also could not take further steps to establish their manufacturing unit for pet bottles.
- Due to this reason, in 2018 we had applied for extension of time for project implementation as well as change of activity to setup a R&D unit for lemon Grass oil distillation and in this regard, we also had a Technology transfer agreement from Council of Scientific and Industrial Research-North East Institute of Science & Technology (CSIR-NEIST), Jorhat, Assam which is a Government of India undertaking for Lemon Grass cultivation and distillation.
- Company distributed saplings to local farmers and used to collect the harvest for distillation of the oil, however due to black soil and no rainfall, the yield of the lemon grass oil was not remunerating, hence this project although still working, is not profit making and they are not able to expand further.
- It may also be noted that there was no availability of power and water until 2019 to setup any industry hence we could not take further steps to utilize the land. Subsequently the Covid Pandemic also restricted us for 2 years to further progress in this regard.

However, they have partially utilised the land with undernoted investments:

1. They have built the manufacturing unit of around 25,000 sft, along with lemon grass distillation plant as well as created other Electrical and Office infrastructure with an investment of over Rs. 25 crore in the project till now.
2. Complete RCC boundary wall is erected around the periphery of the plot.
3. They have made 2 artificial ponds with Rainwater harvesting for collection of water during rainy season, to charge the water table as well as to fulfill basic water requirement in that area.
4. As this was a total dry agricultural land, we have developed the social forestry all around the periphery of the boundary wall with over 5,000 trees available in local area, almost 3 kms of forest area under Japanese Miyawaki forest technology which was necessary for biodiversity and eco-system in that area.
5. Company have the vision to develop various industries in Kadechur Industrial area, however, with the circumstances mentioned above, they need to remodel the entire Business plan for the place. In this respect, they would like to add additional activity by establishing an Integrated Industrial Logistics and ancillary services Park besides the current approvals of Pet Bottles manufacturing and R&D of Lemon grass and distillation thereof.

And requested the following Amendments:

1. Approval of additional activity to establish "Integrated Industrial Logistics, Warehousing and Ancillary Services Park in addition to earlier approved activities of "Pet Bottles, Jars and Preforms" and "Research & Development Centre for essential aromatic oil with establishment of Essential Oil and Aromatic Oil Distillation".
2. Extension of time for another 5 years i.e., upto 2027 to implement the project approved earlier and for the new activity.

In the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023, the representative of the company appeared before the Committee through V.C and requested for approval of additional activity and extension of time

The Committee noted the request of the company and after detailed discussions resolved to recommend to SLSWCC for approval of the following:

1. Approval of additional activity to establish "Integrated Industrial Logistics, Warehousing and Ancillary Services Park" in addition to earlier approved activities of "Pet Bottles, Jars and Preforms" and "Research & Development Centre for essential aromatic oil with establishment of Essential Oil and Aromatic Oil Distillation".
2. Extension of time for another 3 years to implement the project approved earlier and for the new activity.

In the 138th SLSWCC Meeting held on 07.03.2023 the proposal was examined & approved.

Government has examined the recommendations of the 138th SLSWCC meeting in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 86 SPI 2023, BENGALURU, DATED 23.03.2023

- Balance 25.29 acres to be identified and purchased.

The subject was placed in 136th SLSWCC meeting held on 05.12.2022.

The Committee noted the amendment request of the company and decided to obtain further details from the project proponent regarding 25.29 acres of private land proposed to be identified and purchased by the company along with Sy. Nos and decided to defer the subject.

Now the company in their request letter ABSPL/ADMIN/ UM/2022-23, dated 02.01.2023 have mentioned that they had applied for amendment to modify the existing government order incorporating all the survey numbers and extent of land purchased and to be purchased for the construction of factory. They have also applied for the conversion of land to DC office Belagavi and without the details of the land in the order, the Deputy Commissioner is not approving the NA conversion.

In this regard, the company has requested to issue a letter to Deputy Commissioner, Belagavi informing the land purchase is within the sanction made by Udyog Mitra and NA conversion can be approved.

The subject is placed before the Committee for discussion and decision.

In the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023, the representative of the company appeared before the Committee through V.C and requested approval for modification in the Government order No. CI 192 SPI 2021, dated 14.06.2021 for inclusion of all the Sy. Nos. in the Government Order.

The Committee noted the request of the company and after detailed discussions resolved to recommend to SLSWCC for approval of inclusion of land details and Sy. Nos. in Government Order No. CI 192 SPI 2021, dated 14.6.2021 as follows:

Land details: 220 acres out of that 195.29 acres/guntas (88+ 71+ 36) of land is already purchased and details are as follows and balance 25.29 acres to be identified and purchased.

Preamble:

The project proposal of Sri Sathya Sai Narayana Hospital Private Limited, to establish a hospital was approved in the 236th State Level Single Window Clearance Committee(SLSWCC) meeting held on 17.12.2003 and recommended to KIADB to acquire 5 acres of land as SUC for the project. KIADB was requested to help the promoters in identifying suitable land with Sy. Nos. for the project.

Subsequently in the 45th SLSWCC meeting held on 03.09.2008 approved the proposal of the company for change of activity from "Hospital" to "Multi Specialist Hospital with R&D facilities along with support services such as Hotel, Health Club, Recreation and Shopping facilities" and permission to enter in to Joint Development agreement with M/s SJR Enterprises Private Limited to jointly develop the project.

SLSWCC in its 52nd meeting held during August 2009 approved "Convention Center" as additional activity.

SLSWCC in its 86th meeting held on 01.08.2015 approved extension of time for implementation of the project up to 01.08.2017

The SLSWCC in its 92nd meeting held on 27.05.2016 approved the company request to include 'IT Park' as additional activity subject to condition that at least 2 acre of land will be used for building Multi Specialty Hospital. Accordingly, Government Order read at (3) above was issued.

The subject was discussed again in 93rd SLSWCC meeting held on 03.08.2016 and the committee noted that the company has not taken any effective steps even after KIADB executed lease cum sale agreement on 17.09.2007 and kept the accorded approval decision of 92nd SLSWCC meeting held on 27.05.2016 in abeyance. Accordingly, Government Order read at (4) above was issued.

Further on the request of the company the subject was discussed in the 99th SLSWCC meeting held on 13.04.2017 and accorded approval as the following.

- Revoke the abeyance on the decision of 92nd SLSWCC meeting held on 27.05.2016 and restore the approval accorded for increase in investment in the project to Rs.174.70 crore from Rs 45.00 crore and to include 'IT Park' as

additional activity, subject to condition that at least 2 acres of land will be used for building Multi Specialty Hospital.

- Extension of time by 2 years to implement the project.

Accordingly, Government Order read at (5) above was issued.

The SLSWCC in its 110th meeting held on 23.03.2018 approved the change of company's name from M/s Sri Sathya Sai Narayana Hospital Private Limited to M/s SSSN Projects Private Limited and in the 116th SLSWCC meeting held on 15.06.2019 approved establishment of IT Park in total area of 5 acres 7½ guntas instead of earlier proposal of 3 acres 7 ½ guntas at Bellandur Village, Bengaluru East Taluk, Bengaluru Urban District. Accordingly, Government Orders read at (6) & (7) above was issued.

Further, SLSWCC in its 120th meeting held on 19.08.2022 approved extension of time to M/s SSSN Projects Private Limited to implement the project for a period of two years with a condition that further request for extension of time will not be considered. Accordingly, Government Order read at (8) above was issued.

Now the company vide letter dated 19.09.2022, requested for extension of time to implement the project for a period of 3 years. The company has cited below reason for seeking extension of time:

1. It is informed that all along this period there were continuous court litigation and practically KIADB could never handover the physical possession of the land though the procession certificate was issued and Lease Cum Sale Agreement was also executed.
2. It is further informed that Hon'ble High Court of Karnataka in its judgment on 19.07.2022 has directed the company to implement only the Hospital Project. In observation of the order of Hon'ble High Court, company has requested KIADB for issuance of NOC for hypothecation of title deeds with the lending institution for implementation of the Hospital Project and KIADB has advised the company to approach the SLSWCC to get the approval back to Hospital Project as per High Court Direction.

Hence company has requested grant of approval to establish "Multi-Specialty Hospital" with extension of time by 3 years to implement the project.

In the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023, the representative of the company appeared before the Committee through V.C and requested for extension of time by 3 years to implement the project.

CEO & EM, KIADB informed that:

- Two lease cum sale deeds were executed on 07.05.2005 & 17.09.2007 respectively. The term of the lease fixed in lease deeds are 6 years and 10 years respectively which are expired. The project proponent failed to obtain extension of lease. Hence the lease cum sale deed stands cancelled as directed in W.A. No.1735/2007 & W.P. No.11615/2020.
- The project proponent being a lessee executed a registered agreement of sale without possession on 31.5.2018 agreeing to sell the allotted lands by the Board in favour of M/s Anushka Investments (Purchaser) for total consideration amount of Rs.17.50 crore. The execution of this agreement of sale is clearly in violation of terms and conditions of the lease cum sale agreements executed by the Board. The recitals of the agreement of sale dated 31.5.2018 discloses that M/s SSSN Hospitals Private Limited, who is referred as the vendor claiming itself that it has purchased the allotted land being Sy. No.27/1P and other Sy. Nos. situated at Bellandur Village, Bengaluru East Taluk from KIADB and offered to sell the scheduled properties for a total consideration amount of Rs.17.05 crore and received Rs.16.00 crore as a part consideration amount through various cheques as mentioned in para 3(I) to (XV) of agreement of sale. This execution of the registered agreement of sale dated 31.5.2018 is in clear violation of the terms and conditions of the lease.

The Committee noted the above and decided to recommend to SLSWCC for withdrawal of project approval.

In the 138th SLSWCC Meeting held on 07.03.2023, the Committee noted the recommendations of LAC and recommendations of CEO & EM, KIADB and after detailed discussions, decided to withdraw the project approval granted to the Company.

Government has examined the recommendations of the 138th SLSWCC meeting in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 228 SPI 2020, BENGALURU.
DATED 23.03.2023

 3. Proceedings of the 103rd Land Audit Committee meeting held on 04.03.2023.
 4. Proceedings of the 138th State Level Single Window Clearance Committee meeting held on 07.03.2023.

-:0:-

Preamble:

State Level Single Window Clearance committee (SLSWCC) in its 126th Meeting held on 08.10.2021 has approved the project proposal of M/s BKG Hospitality Solutions Private Limited to establish "Integrated Tourism project consisting of Resort, Amusement Park, Cultural Villages and various other adventure activities" with an investment of Rs.498.80 crore, generating employment to about 1500 persons at Kamalapura Village, Hospet Taluk, Vijayanagara District and accordingly, Government Order vide reference (1) above was issued.

Further, SLSWCC in its 131st Meeting held on 30.04.2022 has approved the M/s BKG Hospitality Solutions Private Limited for drawal of water from nearby Kamalapura Tank, subject to obtaining approval from Minor Irrigation Department. Accordingly, Government order read at (2) above was issued.

The company in their letter dated 5.12.2022, has mentioned that, Since is an upcoming project of Tourism Department near the project area at Kamalapura Village, Vijayanagara District, around 30 Acres of land from the approved project land was deleted by Tourism Department. Hence, the project proponent was in need to add neighboring Government land for the project and also some of the patta land owners voluntarily willing to give their lands adjacent to the proposed land. Therefore, for the smooth implementation of the project, M/s BKG Hospitality decided to purchase land through KIADB.

Particulars	Exten
Land approved in SLSWCC - 1* Project Approval	247.45 Acres
Less: Government land deleted by Tourism Department	40.00 Acres
	207.45 Acres
Add: Additional Government land adjacent to our area	40.00 Acres
Total	247.45 Acres

Patta Land readily available for acquisition	8.87 Acres
Total Land	256.32 Acres

The representative of the company appeared before 100th LAC through V.C and requested for Inclusion of additional Sy.Nos. to the extent of 48.87 acres (includes 1.83 acres at Sy.No.929 Part and Government land of 34.52 acres at Sy.Nos.1080 Part and 947/3 Part).

The Committee noted that out of the proposed land 34.52 acres of land is Government land for which Revenue Department opinion is required. Hence, the Committee decided to take opinion from Revenue Department regarding Government land proposed and deferred the subject.

Now, the company in their request letter dated 23.01.2023, has requested to exclude 30.52 acres of government land and consider 18.35 acres of below survey numbers along with earlier approved 207.45 acres of land (excluding 40 acres government land), totaling 225.80 acres of land.

18.35 acres proposed Sy.Nos. details

In the 103rd Land Audit Committee (LAC) meeting held on 04.03.2023, the representative of the company appeared before the Committee through V.C and requested approval to exclude 30.52 acres of government land and consider 18.35 acres along with earlier approved 207.45 acres of land (excluding 40 acres government land), totaling 225.80 acres of land.

The Committee noted the request of the company and after detailed discussions resolved to recommend to SLSWCC to exclude 30.52 acres of government land and consider 14.35 acres of land at Sy.Nos.926/1, 927/2, 928/B, 929 Part, 941/3, 942/3, 948/1,948/3 along with earlier approved 207.45 acres of land (excluding 40 acres government land), totaling 225.80 acres of land, subject to obtaining necessary clearances from Hampi World Heritage Area Management Authority.

In the 138th SLSWCC Meeting held on 07.03.2023 the proposal was examined & approved.

Government has examined the recommendations of the 138th SLSWCC meeting in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 318 SPI 2021, BENGALURU.
